

The Antonia

Inspiration Series

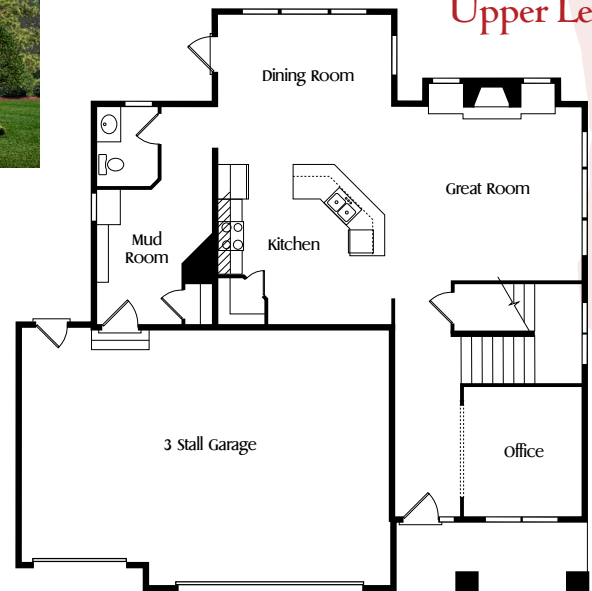

This charming 2 story offers a large kitchen island and pantry, gas fireplace, large mudroom, powder bath and a private office on the main level. On the second story you will find 4 bedrooms, 2 bathrooms, laundry room, and a cozy loft. The master suite offers a sense of serenity with a full bath, walk-in closet and a tray ceiling.

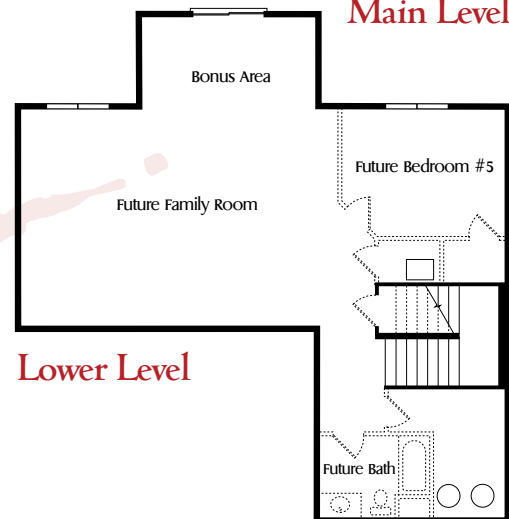

Make your home yours by personally choosing the colors, fixtures, and other elements for your home. Complete your home with a finished basement for another bedroom, bathroom, and family room
